

SB Civil Writ Petition No.6276/1999

Babu Lal Gupta Vs State of Rajasthan & ors

25.7.2007

Hon'ble Mr Justice Ashok Parihar

Mr Subhash Bisawa - for petitioner

Mr JK Agrawal, Addl GA - for the respondents.

BY THE COURT:

Petitioner was granted benefit of stepping up only on the ground that person junior to the petitioner had been given the same benefit, however, subsequently, the department withdrew the benefit given to the person junior to the petitioner namely; Mr PD Mathur. Since the petitioner had been given the benefit only on the basis of order passed in favour of Mr PD Mathur and the benefit so given to Mr Mathur has been withdrawn, no legal right is created in favour of the petitioner in the present matter. Since after due consideration, proper discretion has already been used by the Tribunal in dismissing the appeal filed by the petitioner and further the issue of opportunity of hearing has also been duly considered, I find no ground for any interference of this court under writ jurisdiction. The writ petition is dismissed accordingly as having no merit.
